

The ULEGEND charity was setup by Andrew Wheddon to support and increase awareness of Sarcoma cancer with the help of Sarcoma UK.

Sarcoma UK is a national charity that funds vital research, offers support for anyone affected by sarcoma cancer and campaigns for better treatments. It is the only cancer charity in the UK focusing on all types of sarcoma.

Our mission is to ensure everyone affected by sarcoma receives the best treatment, care, information and support available and to create the treatments of the future.
